WHO ARE WE?

An innovative project managed by Flanders' Chambers of Commerce and Industry.

Geared at young potentials with an entrepreneurial itch (future entrepreneurs, also students).

Supported by the Flemish Government and major private partners.

WHY BRYO?

We need more entrepreneurs to boost our economy and to guarantee our welfare

Generation management: this is our network of the future

400 entrepreneurs / year

HELP THEM DEVELOP FASTER

**BE A CATALYST FOR
ENTREPRENEURSHIP
AND JOB CREATION**

OUR GOALS

Assistance for
pre-starter and
starter projects

**br
yo**

ENTREPRENEURS NEEDS

First-line advice and coaching.

Positive motivation from the people in the immediate surroundings and sharing knowledge, insight, experience and opinions.

Experience of inspiring examples and advice from experts.

PROGRAMMES

Bryo StandUp for pre-starters

From idea to validated business model
10 working sessions spread over 3 months
Also for students

Bryo StartUp for starters already creating revenue

Monthly sessions – 2 years' programme

Bryo ScaleUp for growing companies (100K → 1000K)

1 year, monthly sessions and intensive individual coaching

IMPLEMENTATION

Set up partnerships with business experts

Recruit role models to share experiences

Promote the different programmes

Evaluate the potential of each candidate – phase of entrepreneurship

Activities: group sessions, coaching, digital platform and forum, business dates (network dates),...

USP'S

For entrepreneurs by entrepreneurs

Motivating peer-to-peer netwerk

Wisdom of crowds

Reversed coaching

uitwisseling
ervaring
